## Dear Boater:

As the 2015 boating season draws to a close, we would like to give you the removal schedule for the slips, moorings, kayaks, and dinghy racks.

All boats MUST be removed from the slips no later than Sunday, November 15, 2015.

All moorings, dinghies, canoes, kayaks, etc. MUST be removed no later than Sunday, November 15, 2015. The Village Contractor will remove any mooring remaining after that date. Dinghies, canoes, kayaks, etc. which are left abandoned will be removed by the Village, and upon being claimed, a fee of \$250.00 will be charged regardless of the length of time from removal to time claimed. The Village will not accept any responsibility for damaged moorings, dinghies, canoes, kayaks, etc.

The authorized Village Contractor is Richard Valicenti at Bridge Marina-628-8688.

We hope that everyone had a pleasant and enjoyable season.

Very truly yours,

Marie Alfano
